

WHAT'S IN YOUR LIPSTICK?

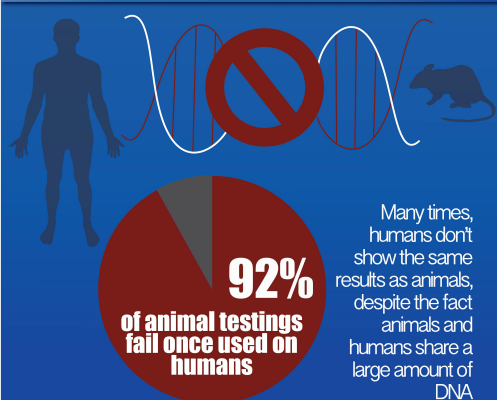

CONFINED, BLINDED, POISONED, & KILLED

WORLDWIDE PHENOMENON

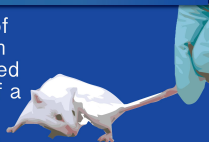

HUMAN VS ANIMAL

DISSIPATION

To experiment the reaction of cocaine, meth, and heroin on mice, researchers were granted \$3.6 million over the course of a decade

14.5 billion annually
spent on animal testing

HELP SAVE THE ANIMALS

- inform others of the problem
- shop cruelty-free products
- promote modern science
